**DECLARATION OF BIOLOGICAL MATERIAL DEPOSIT**

Commissioner of Patents and Trademarks  
Washington, DC 20231

Sir:

I, \_\_\_\_\_, hereby declare and state  
that:

1. The following biological material, referred to  
in the specification of this application, has been deposited  
and has received the following accession number(s) by the  
depository:

RAP-1  
strain

I-2706  
accession number

In re Serial No.: 09/927,458  
Declaration of Biological  
Culture Deposit

2. The above deposit was made on July 26, 2001,  
which was:

(check appropriate item below)

- ☐ before the effective filing date of this  
application.
- ☒ after the effective filing date of this application  
and a verified statement pursuant to 37 CFR 1.804(b)  
is attached hereto, stating that the biological  
material which was deposited is a biological  
material specifically identified in the application  
as filed.

3. The name and address of the depository is:

Collection Nationale de Cultures  
de Microorganismes  
Institut Pasteur  
25, Rue du Docteur Roux  
75724 Paris Cedex 15, France

4. The biological material deposited is capable of  
self-replication, either directly or indirectly, and

(check appropriate item below)

- ☒ The deposit of the biological material described  
above was made and accepted under the Budapest  
Treaty on the International Recognition of the  
Deposit of Microorganisms for the Purposes of Patent  
Procedure (hereinafter Budapest Treaty) and  
therefore the filing of a viability statement is  
unnecessary (37 CFR 1.807(b)).

In re Serial No.: 09/927,458  
Declaration of Biological  
Culture Deposit

\_\_\_ A statement that the biological material deposited with the above named depository was viable and was capable of reproduction on the date of deposit is attached. Such is executed by:

(complete a, b or c below)

- a. \_\_\_ the depository
- b. \_\_\_ the applicant
- c. \_\_\_ a competent third party

5. With respect to the permanence of the biological material deposit:

(check appropriate item below)

X The depository is an official depository in accordance with the Budapest Treaty and the deposit of the biological material described above was made and accepted under the Budapest Treaty such that samples will be available beyond the enforceable life of the patent for which the deposit was made.

\_\_\_ The contract with the above-mentioned depository with respect to the deposited biological material provides that the depository will afford permanence of the deposit for at least 30 years and at least 5 years after the most recent request for the furnishing of a sample of the deposit was received by the depository, samples being available beyond the enforceable life of the patent for which the deposit was made.

In re Serial No.: 09/927,458  
Declaration of Biological  
Culture Deposit

I affirm that should the depositor be notified by the depository that it either cannot furnish samples thereof or can furnish samples thereof but the deposit has become contaminated or has lost its capability to function as described in the specification, depositor will proceed in accordance with 37 C.F.R. §1.805.

6. With respect to availability of the biological material, I affirm that the deposit has been made under conditions that assure that (a) access to the deposit will be available during pendency of the patent application to one determined by the Commissioner to be entitled thereto under 37 CFR 1.14 and 35 USC 122, and (b) subject to 37 CFR 1.808(b), all restrictions imposed by the depositor on the availability to the public of the deposited material will be irrevocably removed upon the granting of the patent.

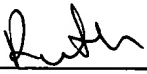

7. I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such

In re Serial No.: 09/927,458  
Declaration of Biological  
Culture Deposit

willful false statements may jeopardize the validity of the  
application or any patent issued thereon.
